YOUR CREDIT UNION
University Credit Union (UCU) is unique in the financial world. It is a co-op owned by you and by your fellow members, and it is operated in your common interest. UCU is non-profit and exists only to serve you, not to make money. As a UCU member, you own, operate and control UCU through your Board of Directors. You are entitled to elect and be elected to the volunteer Board of Directors. The Board is composed of your fellow members, and it manages UCU based on the needs and wishes of the members. The Board of Directors sets dividend rates, loan interest rates and fees, among other things, and the Board also determines credit union policy as set forth in this Agreement. UCU reserves the right to change any and all terms and conditions of any of these policies. In addition, UCU works cooperatively with Maine’s other credit unions and the Maine Credit Union League, pooling resources for research and development of cost-effective services which benefit not only you and your fellow members, but all credit union members in Maine.

ACCOUNT OWNERSHIP
You can structure the ownership of your account(s) at UCU in a variety of ways. Rights and obligations relating to the account will depend on the type of ownership of the account.

1. **Sole Accounts.** If you are the sole owner of an account, only you can make deposits or withdrawals or otherwise have access to the funds in the account. Upon death, the funds in the account are distributed in accordance with the terms of your will, or, if you do not leave a will, the intestacy laws of the state of your residency.

2. **Joint Accounts.** Any joint owner has an equal right of access to the funds in a joint account and can withdraw all of the funds in the account at any time without permission from or notification to the other joint owner(s). At the time of death of one joint owner, the funds automatically belong to the surviving joint owner(s). Joint owners do not have to be UCU members. Any person named as a joint owner of your regular savings account will also be a joint owner of all your other sub accounts of the regular savings account with the exception of IRAs, which require separate signed agreements.

3. **Payable-on-Death Accounts.** Payable-on-death accounts belong to the person(s) listed as the owner or owners of the account during their lives. On death, the funds automatically belong to the person or persons designated as payable-on-death beneficiaries.

**ACCOUNT TERMS**

**TERMINATION OR CURTAILMENT OF YOUR MEMBERSHIP RIGHTS AT THE CREDIT UNION**
Membership at our Credit Union is a privilege granted to you by fellow members under state or federal law. You may end your membership with the Credit Union at any time by providing us with written notice of your desire to end your membership or in person at one of our branch locations. You understand that ending your membership does not release you of your responsibilities, obligations or liabilities to us under this agreement. To the extent permitted by law, members may be expelled for cause, which includes but is not limited to: (1) abuse of our employees, services, or privileges or other members; (2) failure to use our products or services to justify your continued participation in Credit Union membership; or (3) causing a loss to the Credit Union. You understand and agree that for the protection and safety of our members, employees, volunteers, or any third party affiliated with us, if you ever become abusive with, harass or threaten the safety of any of these parties, we may limit your participation in Credit Union services, restrict your access to Credit Union facilities or we may take action to terminate your membership.

**GENERAL TERMS**
This Agreement contains the terms and conditions governing your membership in and accounts offered by UCU. By signing your membership card and/or account agreement(s), you accept and agree to be bound by the provisions as set forth in them, and in this Agreement, the rate and fee disclosures applicable to your account(s) with UCU, UCU’s charter and bylaws, and any amendments or changes in terms to any of them. You will receive notice of any changes in terms in accordance with all applicable state and federal laws and regulations.

The terms and conditions as set forth in this Agreement are applicable to all types of accounts offered by UCU. There may be different or more specific terms and conditions which apply to certain accounts. Those different or specific terms are contained in the membership card, the savings certificate, or in the other documents evidencing the account. To the extent that there are different terms, or terms which are not included in this Agreement or in those documents, such terms supersede this Agreement, provided, however, that the following agreement governing joint ownership supersedes any and all such different and/or specific terms. Regarding joint ownership, any person(s) named as joint owners of your primary savings account are also joint owners of any other account(s) you may open under that primary savings account. If you do not want to have the same joint owner(s) on any sub-account, you must open another primary savings account naming joint owner(s) desired.

**PRIVILEGES OF UCU MEMBERSHIP**
Being a UCU member carries with it many privileges including the ability to open accounts other than ordinary savings accounts. This would include, for example, the privilege of opening checking accounts, or making and receiving electronic funds transfers and wire transfers, and obtaining loans and lines of credit. However, it is UCU’s policy to deny these privileges to members who cause a loss to UCU for any reason. Therefore, if you cause a loss to UCU, and thus to your fellow members, you will lose your privileges of UCU membership.

**ACCOUNT OWNERSHIP**
You can structure the ownership of your account(s) at UCU in a variety of ways. Rights and obligations relating to the account will depend on the type of ownership of the account.

1. **Sole Accounts.** If you are the sole owner of an account, only you can make deposits or withdrawals or otherwise have access to the funds in the account. Upon death, the funds in the account are distributed in accordance with the terms of your will, or, if you do not leave a will, the intestacy laws of the state of your residency.

2. **Joint Accounts.** Any joint owner has an equal right of access to the funds in a joint account and can withdraw all of the funds in the account at any time without permission from or notification to the other joint owner(s). At the time of death of one joint owner, the funds automatically belong to the surviving joint owner(s). Joint owners do not have to be UCU members. Any person named as a joint owner of your regular savings account will also be a joint owner of all your other sub accounts of the regular savings account with the exception of IRAs, which require separate signed agreements.

3. **Payable-on-Death Accounts.** Payable-on-death accounts belong to the person(s) listed as the owner or owners of the account during their lives. On death, the funds automatically belong to the person or persons designated as payable-on-death beneficiaries.
Any person named as a payable-on-death beneficiary of your regular savings account will also be a payable-on-death beneficiary of all your savings and sub accounts of that regular savings account.

4. **Trust Accounts.** Depending on membership eligibility, you may hold an account as Trustee for the benefit of another person or persons. Likewise, another person or persons may hold an account as Trustee for your benefit. In order to establish a Trust account you must meet membership eligibility requirements in accord with UCU’s charter or bylaws.

5. **Organizational Accounts.** The funds in an organizational account are owned by a corporation, trust (including a living trust), partnership, social club, sports team, etc. In order for the organization to be a UCU member, eligibility requirements must be met in accord with UCU’s charter or bylaws. If the organization does not qualify for membership, it can be a joint owner of the account with an individual member.

**LIEN ON DEPOSITS**

A lien will be imposed on any and all accounts that you have with UCU in an amount equal to that which you may owe UCU because of a loan, dues, or any other charges payable by you to UCU. If you default in paying the amount you owe, the lien may be enforced, and your funds may be withdrawn and applied to your debt without further notice to you except where required by law.

**ACCOUNT CLOSING**

Your regular UCU savings account cannot be closed until all amounts you owe UCU are paid in full and all other accounts that you have with UCU are closed.

**ENDORSMENTS**

All check endorsements must be made in the first one and one-half inches of the trailing edge of the back of the check. The trailing edge is opposite the left side of the face of the check. You will be responsible for any costs incurred by UCU due to delays in returning checks deposited into your account that do not comply with these endorsement standards.

**SAVINGS INSURANCE**

Funds in your account at UCU are insured up to $250,000 by the National Credit Union Administration (NCUA), an agency of the United States Government. If you would like more information about your share insurance, a pamphlet entitled Your Insured Funds is available upon request or you may contact www.ncua.gov. Funds in your accounts are also insured to an additional $250,000 by our private savings insurer, Excess Share Insurance (ESI). For more information, contact ESI at www.excessshare.com.

**GOVERNING LAW**

The rights, duties, obligations and liabilities of you and UCU in connection with your membership and account(s) are and shall be controlled by Maine and/or federal law as applicable and in effect at the time the rights, duties, obligations and liabilities arise, other than as specifically set forth in this Agreement, UCU charter and bylaws, or your specific account documentation.

**SUBSTITUTE CHECKS**

You acknowledge and agree that we may refuse to pay any check, including substitute checks as the term is defined under 12 CFR Part 229.2(aaa), that we have already paid. You also agree to indemnify and hold us harmless from and against any claim for damages or breach of any substitute check warranty which is asserted against us by any third party on account of any check drawn on your account for which you receive payment.

**DISCRETIONARY OVERDRAFT PRIVILEGE POLICY**

Overdraft privilege is not a line of credit. However, if you inadvertently overdraw your account, we will have the discretion to pay the overdraft, subject to the limit of your overdraft privilege and the amount of the overdraft fee. University Credit Union is not obligated to pay any item presented for payment if your account does not contain sufficient available funds. Any discretionary payment by University Credit Union of an overdraft check (or items, such as ATM withdrawals) does not obligate University Credit Union to pay any other overdraft check (or item), or to provide prior notice of its decision to refuse to pay such check (or item). Pursuant to University Credit Union’s commitment to always provide you with the best level of service, now and in the future, if your checking account has been open for at least thirty (30) days, and thereafter you maintain your account in good standing, which includes at least: A) Bringing your account to a positive balance within every thirty (30) day period for a minimum period of 24 hours; B) Not being in default on any loan or other obligation to University Credit Union; and C) Not being subject to any legal or administrative order or levy, University Credit Union will have the discretion to pay overdrafts within the overdraft privilege limits. Payment by University Credit Union is a discretionary courtesy and not a right of the accountholder or an obligation of University Credit Union. This privilege for checking accounts will generally be limited to between $500-$750 in overdraft (negative) balance depending on product. Of course, any and all fees and charges, including without limitation the non-sufficient funds fees (as set forth in our fee schedules and membership account agreement and disclosure), will be included as part of this maximum amount. It may be possible that your account will become overdrawn in excess of the overdraft privilege amount as a result of the assessment of a fee. The total of the discretionary Overdraft Privilege (negative) balance, which includes any and all fees and charges, including all non-sufficient funds/overdraft fees is due and payable upon demand, and Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all such amounts, as described in the Membership Account Agreement and Disclosure.

Our standard OD Privilege Fee of $22.00 will be imposed for overdrafts created by transactions of greater than $7.00 via checks, ACH, ATM withdrawals, everyday debit card transactions, in-person withdrawals, or by other electronic means. If your account balance remains overdrawn for longer than 30 days, we will charge your account a collection fee of $15.00. Transactions may not be processed in the order in which they occurred, and the order in which transactions are received and processed may impact the total amount of fees incurred. There is a daily ODP Privilege Fee limit of no more than four fees. While University Credit Union will have the discretion to pay overdrafts on accounts in good standing (as described above), any such payment is a discretionary courtesy, and not a right of the account holder or an obligation of University Credit Union and University Credit Union in its sole and absolute discretion, can cease paying overdrafts at any time without prior notice of reason or cause. University Credit Union will not pay overdrafts for ATM or everyday debit card transactions unless University Credit Union has provided you with the notice required by section 205.17(b) of Regulation E and you have opted in to the payment of these overdrafts. In order to avoid overdrafts due to ATM and everyday debit card transactions, University Credit Union will place a hold on your account for any ATM or everyday debit card transaction authorized until the transaction settles. ATM and everyday debit card transactions usually settle within three business days after the transaction is authorized. The amount of the hold will be for the amount authorized, or as permitted under applicable payment network rules. Holds on authorized ATM and everyday debit card transactions will be removed prior to settlement where required by applicable payment network rules. In addition you may opt out of the Overdraft Privilege services for check, ACH and debit card bill payment transactions at any time by contacting one of our Member Service Representatives.
YOUR ABILITY TO WITHDRAW FUNDS AT UNIVERSITY CREDIT UNION

Our policy is to generally make funds from your deposits available to you on the same business day as the day we receive your deposit. At that time, you can withdraw the funds in cash and/or we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day except Saturdays, Sundays and federal holidays. If you make a deposit at any of our locations during the hours listed, we will consider that day to be the day of your deposit. However, if you make a deposit after the hours stated or on a day we are closed for business or in the night depository, the deposit will be credited to your account on the next business day we are open.

RESERVATION OF RIGHT-TO-HOLD

In some cases, we will not make all of the funds that you deposit by check available to you on the same business day of your deposit. These funds may not be available until the second business day after the day of your deposit. However, the first $225, or such greater amount as required by annual adjustments to Regulations CC from the aggregate of all other deposits made on any given day, will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

LONGER DELAYS MAY APPLY

We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- You deposit checks totaling more than $5,525 or such greater amount as required by annual adjustments to Regulation CC, on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- We have “reasonable cause” to believe a check you deposited will not be paid.
- There is an emergency such as failure of communications or computers.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day your deposit is otherwise available for withdrawal.

HOLDS ON OTHER FUNDS

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately, but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or check) made at automated teller machines (ATMs) will not be available until the second business day after the day of your deposit.

DEPOSITS AT SHARED BRANCHING (CU SERVICE CENTER) LOCATIONS AND THROUGH MOBILE DEVICES

Funds from check deposits made at a Shared Branching location or through a mobile device may not be available until the second business day after the day of your deposit. Longer delays may also apply. Visit www.cuservicecenter.com for Shared Branching locations.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open:

- The first $5,525 from a deposit of U.S. Treasury checks will be available on the first business day after the day of your deposit. The excess over $5,525 will be available on the second business day after the day of your deposit. Funds from wire transfers will be available on the first business day after the day we receive the transfer.
- Funds from deposits of cash and the first $5,525.00 of a day’s total deposits of cashier’s certified, teller’s, traveler’s and state and local government checks will be available on the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over $5,525.00 must be available on the fifth business day after the day of your deposit. If you do not make the deposit in person to one of our employees, the first $5,525.00 will not be available until the second business day after the day of your deposit.
- Funds from deposits of checks drawn on University Credit Union will be available on the same business day as the day of your deposit.
- Funds from all other check deposits will generally be available no later than the second business day after the day of your deposit.

ADDITION TO ACCOUNT RULES AND REGULATIONS FOR NEW ACCOUNTS

A Checking Account consists of a transaction sub account and a savings sub account. Funds not routinely needed to pay debits may be transferred to a savings sub account. We may periodically transfer funds between these two sub accounts. If your Account is a Plan on which dividend is paid, your dividend calculation will remain the same. The savings sub account will be governed by the rules governing our other accounts. We may periodically transfer funds between these two sub accounts. If your Account is a Plan on which dividend is paid, your dividend calculation will remain the same. The savings sub account will be governed by the rules governing our other accounts. We may periodically transfer funds between these two sub accounts. If your Account is a Plan on which dividend is paid, your dividend calculation will remain the same. UCU is under no obligation to pay a check on which the date is more than six (6) months old.

This agreement is subject to the additional terms and conditions of any joint savings account agreement that applies to a savings account in the names of the joint owners of this Checking Account; or, if there is no such agreement, this agreement is subject to the additional terms and conditions printed below.

ADDITIONAL TERMS AND CONDITIONS (JOINT CHECKING ACCOUNT AGREEMENT)

UCU is hereby authorized to recognize any of your signatures in the payment of funds or the transaction of any business for this account. The joint owners of this account hereby agree with each other and with UCU that all sums now paid in on savings, or heretofore or hereafter paid in for any joint owners, or any of them, and payment to any of them or the survivor or survivors shall be valid and discharge UCU from any liability for such payment.

Any or all of said joint owners may pledge all or any part of the savings in this account as collateral security to a loan or loans. The right or authority of UCU under this agreement shall not be changed or terminated by said owners, or any of them, except by written notice and consent of UCU which shall not affect transactions theretofore made.

Note: These additional Terms and Conditions apply only if there is no joint savings account agreement that applies to a savings account in the name of the joint owners of the Checking Account.

ELECTRONIC FUNDS TRANSFERS (EFT) INITIAL DISCLOSURE (No Access device)

This disclosure, required by law, is designed to give you information concerning your electronic funds transfers (EFTs).

1. Merchants and other payees may be authorized to electronically debit your share draft or checking account using information you provide on or with a share draft or check. These debits are electronic funds transfers (EFTs) subject to this agreement.

2. Some of the types of EFTs available to you are the deposit of employer payroll and the deposit of government payments and pre-authorized debits.

3. For an account in which transfer limitations apply, no more than three (3) withdrawals or transfers may be made from these accounts to another account of yours or to a third party in any month. If you exceed these limitations, your account may be subject to a fee or closed.

4. There are no charges for EFTs or the right to make EFTs. However, a fee will be assessed for each EFT returned to the originator due to insufficient funds, account closure, etc. Refer to the Rate and Fee Schedule for current fees.

5. EFTs, in most cases, will be posted to your account by the opening of the normal business day (9:00 A.M.). (See Business Hours.)

6. Your right to receive documentation of EFTs:

Periodic Statement: You will receive a quarterly account statement on your savings accounts. You will receive a monthly account statement on checking accounts. You will receive a monthly account statement on savings accounts if any EFT occurs during that month.

Notice of Credits: If you have arranged to have EFT deposits made to your account, you can call us at 800-696-8628 to find out whether or not the deposit has been made.

7. Your right to stop payment and the procedure for doing so:

If you have told us in advance to make regular payments out of your account, you may stop any of these by simply calling us at the numbers and address on the first page of this agreement. We need to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we will request that you sign a form here at UCU within 14 days after you call. You will be charged for each stop payment order given. Refer to the Rate and Fee Schedule for current fees.

8. UCU’s Liability to you for failure to make or stop certain transfers:

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make those transfers.
- If the transfer would go over the credit limit on your overdraft line.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- If we have reason to believe that transactions involving your account may be unauthorized, fraudulent, illegal or otherwise improper.

9. Error Resolution: See Electronic Funds Transfer Disclosure and Card Holder Agreement
10. Conditions under which we will disclose information to a third party.
You agree that we may, and you hereby authorize us to disclose information to third parties about your account(s) or the transfers you make:
(1) where it is necessary for completing transfers; (2) in order to verify the existence and condition of your accounts for a third party, such as a credit bureau or merchant; (3) in order to comply with a government agency or court orders; (4) where permitted under applicable law; or (5) if you give us your permission.

FAIR AND ACCURATE CREDIT TRANSACTION ACT NOTICE
We may report information about your account to credit bureaus. Late or missed payments or other defaults may be reflected in your credit report.

ELECTRONIC FUNDS TRANSFER DISCLOSURE AND CARD HOLDER AGREEMENT
You (If this is a joint account, singular pronouns shall include each of you.) hereby agree to the rules and regulations affecting the issuances of the ATM or Visa® Check Card provided by UCU for your convenience.

1. CONSUMER REPORTS (credit reports) will be obtained in connection with your application. If you request: 1) you will be informed whether or not consumer reports were obtained; and 2) if reports were obtained, you will be informed of the names and addresses of the consumer reporting agencies (credit bureaus) that furnished the reports.

2. PERSONAL IDENTIFICATION NUMBER (P.I.N.). This is your “remote banking signature.” You are responsible for maintaining its confidentiality. The P.I.N. should be memorized and not written, in order to prevent its unauthorized use, and so that you may report its loss or theft accurately.

3. AUTHORIZED USE. Only you are qualified to direct the deposit or withdrawal of funds to or from your account(s) whether with the use of the ATM or Visa Check Card and/or your P.I.N. at merchant or financial institution locations or remote facilities or otherwise. Positive identification may be requested by the participating merchant or financial institution prior to any transaction. You agree that you will not use or allow anyone else to use your card or P.I.N. for any transaction that is illegal under applicable federal, state or local laws.

4. CONSUMER LIABILITY FOR UNAUTHORIZED ELECTRONIC FUNDS TRANSFERS MADE IN CONNECTION WITH AN ATM/VISA CHECK CARD. This section applies to unauthorized electronic funds transfers made in connection with an ATM/VISA CHECK CARD.
Tell us AT ONCE if you believe your card, P.I.N. or other information which could provide electronic access to your account has been LOST or STOLEN, or if you believe someone has used your card or P.I.N. or accessed your account without your permission. Telephoning is the best way of keeping your possible losses down.
If a Visa or Interlink transfer was made using your card or card number without your permission and was not caused by your gross negligence or fraud, you will have no liability for this unauthorized transfer. For all other transfers, including transfers made using ATMs, you can lose no more than FIFTY DOLLARS ($50.00) if you tell us within two (2) business days that your card or P.I.N. was used to make a transfer without your permission. If you do NOT tell us within two (2) business days, and we can prove that we could have stopped someone from making a transfer without your permission, if you had told us, you could lose as much as FIVE HUNDRED DOLLARS ($500.00).
If your statement shows transfers you did not make or authorize, tell us at once. If you DO NOT tell us within 60 days after the statement was mailed to you, you may not get back any money you lost if we can prove that we could have stopped someone from taking the money, if you had told us in time. We are liable only for losses in excess of the limit stated.

5. CONSUMER LIABILITY FOR ALL OTHER UNAUTHORIZED ELECTRONIC FUNDS TRANSFERS. Tell us AT ONCE if you believe your card or P.I.N. or other information which could provide electronic access to your account has been LOST or STOLEN. Telephoning is the best way of keeping your possible losses down. If you tell us within two business days, you can lose no more than FIFTY DOLLARS ($50.00) if someone uses your card, P.I.N. or other information without your permission.
If you do not tell us within two business days after you learn of the loss or theft of your card or P.I.N. or other information, and if we can prove that we could have stopped someone from using your card, P.I.N. or other information without your permission if you had told us, you could lose as much as FIVE HUNDRED DOLLARS ($500.00).
If your statement shows transfers you did not make or authorize, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost if we can prove that we could have stopped someone from taking the money, if you told us in time. We are liable only for losses in excess of the limits stated.

NOTIFICATION PROCEDURE. If you believe that your card, P.I.N. or other information which could provide electronic access to your account has been LOST or STOLEN, or if you believe that someone has transferred or may transfer money from your account without permission, contact us immediately.

6. TYPES OF TRANSACTIIONS AVAILABLE. You may use your card to withdraw from or make deposits to your savings or checking accounts, and to perform such other financial transactions as we may, from time to time, permit during the business hours of any remote facility. You may also pay for purchases at places that have agreed to accept your card (called Point-of-Sale purchases). You may use your P.I.N. to make withdrawals from your savings and checking; to transfer between your savings and checking accounts; to make a payment on a loan with us; and to inquire about your account balance, last savings withdrawal, interest, dividends, last savings deposit, last checking deposit, last transaction, loan inquiry, check number inquiry and certificate inquiry.

7. LIMITATION ON FREQUENCY AND AMOUNT OF TRANSACTION. For your protection we have limited the amount of each withdrawal from an account to between $250.00 and $750.00, depending on type of account, per day at a remote financial facility. You may buy up to $2,500.00 worth of goods or services each day in our Point-of-Sale (POS) transfer services, ($250.00 for Teen checking).
UCU reserves the right to lower these limits.

8. DELAYS IN POSTING TRANSACTIONS. Due to the nature of the “ATM” system, there will be delays between the time of any activity on your account(s) and the time it is reflected in our records of your account(s).

9. CHARGES FOR ORIGINATING SAVINGS AND AMOUNT OF TRANSACTIONS. A transaction resulting in a withdrawal from your checking account using the ATM or Visa Check Card or your P.I.N. or other information which could provide electronic access to your account is considered the same as any other checking transaction with regard to our service charge formulas. The type of account determines if and when a charge will be assessed. Current charges are set forth on the Rate and Fee Schedule you receive on this Agreement.

10. FEES. If you use an ATM or other electronic terminal that we do not own, you may be charged a fee by the terminal owner and by any national, regional or local network used in processing the transaction. Any such fee(s) will be debited from your account if you elect to complete the transaction.
11. DOCUMENTATION OF TRANSFER AND TRANSACTION. You will receive a copy of the deposit/withdrawal slip at the time a transaction using your ATM or Visa Check Card is originated. You will also receive a monthly statement of your account activity. You will not receive any slip or confirmation of other transactions other than the monthly statement.

12. ERROR RESOLUTION. Telephone or write us at the number and address shown on the front page of this Agreement as soon as possible if you think your statement or receipt is wrong, or if you need more information about a transaction listed on the statement or receipt. We must hear from you no later than sixty (60) days after we send you the FIRST statement on which the problem or error appeared. Provide the following information:
1. Your name and account number.
2. Describe the error or the transfer you are unsure about, and include a clear explanation of why you believe it is an error, or why you need more information.
3. The dollar amount of the suspected error.
If you tell us orally, we may require that you send your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. For new accounts, Point-of-Sale, or international transactions we may take up to ninety (90) days to investigate your complaint or question. If we decide to do this, we will re-credit your account within ten (10) business days (five (5) business days for Visa Check Card) for the amount you think is in error, so you will have the use of the money during the time it takes to complete our investigation. For new accounts, we may take up to twenty (20) days to credit your account for the amount you think is in error. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not re-credit your account.
If we decide that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

13. OVERDRAFTS. If any withdrawal(s) creates a negative balance in your account, you agree to repay to us the amount of such overdraft, including customary and usual overdraft charges, in the same manner as any other overdraft on your account.

14. CANCELLATION. Your card and P.I.N. remain UCU property. Immediate surrender of either may be required by UCU at any time. We may cancel the card, P.I.N. and/or all electronic funds transfer privileges at any time without notice or cause. Any cancellation or termination does not affect any of your existing liability to us.

15. LIABILITY. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:
• If, through no fault of ours, you do not have enough money in your account to make the transfer.
• If the transfer would go over the credit limit on your overdraft line.
• If the automated teller machine where you are making the transfer does not have enough cash.
• If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
• If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
• If we have reason to believe that transactions involving your account may be unauthorized, fraudulent, illegal or otherwise improper.

We expressly disclaim all warranties that the components including, but not limited to, cards and terminals will function properly or be available for use.

16. AGREEMENT MODIFICATION. This part of the Agreement may be amended by us without prior notice to you when such a change is immediately necessary to maintain or restore the security of the system or a member's account; however, we will notify you in writing twenty-one (21) days prior to the effective date of any other change in any term or condition of the Agreement or your account, if such change would result in greater cost liability for you or decreased access to your account.

17. JOINT ACCOUNTS. All parties to a joint checking account each agree to be jointly and severally bound by this Agreement. All cards must be returned to us prior to the addition or deletion of a name from any account subject to this Agreement. Consumer reports (credit reports) may be obtained in connection with your application. If you request: 1) you will be informed whether or not consumer reports were obtained; and 2) if reports were obtained, you will be informed of the names and addresses of the consumer reporting agencies (credit bureaus) that furnished the reports.

If you, the account-holder, are approved for mobile remote deposit capture ("RDC"), you agree that use of RDC is subject to the following terms and conditions in conjunction with the membership agreement.

1. **RDC** allows you to make check deposits to your UCU savings (share) and/or checking (share draft) accounts from remote locations by scanning both sides of checks and delivering the check images and associated deposit information to UCU.

2. **UCU** is not responsible for any technical difficulties you experience attempting to use RDC. You agree and understand that RDC may at times be temporarily unavailable. In the event that RDC is not available, you acknowledge that you can deposit an original check at a UCU branch, shared branch location, or by mailing the original check to a UCU branch location. It is your sole responsibility to verify that items deposited using RDC have been received and accepted for deposit.

3. To use UCU's RDC service, you must have a suitable mobile device.

4. When you make a successful RDC deposit, you will be notified by an in application message. You agree that once you have received confirmation that we have successfully processed your RDC deposit, you will clearly mark "void" and retain for an additional five business days. You agree to defend, indemnify and hold UCU and any UCU third party service provider from any claims, damages, losses, liability or expenses to which we and/or our service provider may become subject as a result of an item you deposited via RDC being presented for duplicate payment.

5. Only the following items are eligible for RDC deposit: checks drawn on U.S. financial institutions in U.S. dollars, or checks drawn on United States Treasury, or checks drawn on any state or local government of the United States.    - a. The check is not payable to you;
   - b. There is any apparent alteration to the front of the check;
   - c. You know or have reason to believe that the check is fraudulent or otherwise not authorized by the owner of the account on which the check is drawn;
   - d. The check is payable in a currency other than U.S. dollars;
   - e. The check has been previously converted to a substitute check as defined in the Expedited Funds Availability Act;
   - f. The check has been remotely created;
   - g. The date of issue of the check is more than 6 months prior to the attempted deposit date;
   - h. You have any reason to believe that the check will not be paid by the institution on which it is drawn.

6. The check image transmitted via RDC must be legible and compliant with requirements established from time to time by the American National Standards Institute, the Board of Governors of the Federal Reserve, or any other regulatory agency, clearinghouse or association.
7. We may terminate or change the terms of RDC service at any time, including but not limited to the categories of checks we will accept for deposit via RDC or endorsement requirements, with or without notice to you.

8. We may, at our sole discretion, refuse to accept any item presented for deposit via RDC. We will notify you via the method agreed with you if we do this. We will have no liability to you for declining to accept items presented for deposit via RDC.

9. Funds from any check deposited via RDC will be available to you after the second business day or after final collection from the institution on which it is drawn. We may make funds available sooner depending on factors we at our sole discretion deem relevant, including but not limited to your account history with UCU and your creditworthiness.

10. You agree to notify us of any errors with respect to RDC deposits within 30 days after we send you the first periodic statement on which they appear. We will review your claim and correct any error on our part. We will not, however, be responsible for errors asserted more than 30 days after we send you the periodic statement on which they appear. In the event of an error with respect to any original check or image thereof transmitted to us for deposit or a breach of the agreement, you will immediately contact us at 1-800-696-8628 or email us using our secure messaging service within Personal Finance Manager.

11. You agree not to copy, reproduce, distribute or create derivative works from the content of the RDC service or to reverse engineer or reverse compile any technology used to provide the RDC service. UCU and our third party service providers, if any, retain all ownership and proprietary rights in the Services, associated content, technology and web sites. You agree to cooperate with us in the investigation of unusual transactions, poor quality transmissions, and resolution of member claims, including by providing, upon request and without further cost, any originals or copies of items deposited through the Service in your possession and your records relating to such items and transmissions.

TRUTH-IN-SAVINGS ACCOUNT DISCLOSURE

Except as specifically described, the following disclosures apply to all of the above accounts.

1. RATE INFORMATION. The Dividend Rate and the Annual Percentage Yield on your accounts as of the last Dividend Declaration date are set forth on the dividend schedule. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for a 365-day period or the term of a Certificate account unless an account is designated as “Fixed” above. The Dividend Rate and Annual Percentage Yield may change monthly as determined by the UCU’s Board of Directors. The Annual Percentage Yield for a Certificate account is based upon an assumption that dividends will remain in the account until maturity and that a withdrawal will reduce earnings.

2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the Dividend Period.

3. COMPOUNDING AND CREDITING. Dividends will be compounded and credited as set forth above. The Dividend Period for each account is set forth above. The Dividend Period begins on the first calendar day of the month and ends on the last calendar day of the month.
4. ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on all deposits (cash or checks) on the business day you make the deposit to your account. Except for Certificate, Super Share and Money Market accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.
5. BALANCE INFORMATION. The minimum balance required to open each account and/or obtain the disclosed Annual Percentage Yield is set forth above. Dividends and minimum balances are calculated by the Average Daily Balance method which adds the full amount of the principal in the account each day of the period, then divides that figure by the number of days in that period, and applies a periodic rate to the result.
6. ACCOUNT LIMITATIONS. IRA Certificate accounts cannot be pledged for a loan.
7. CERTIFICATE MATURITY. Your account will mature within the term set forth above or on the maturity date set forth on your Certificate or Maturity Notice. UCU will give the owner(s) at least 30 days’ notice prior to maturity.

EARLY WITHDRAWAL PENALTY
We may impose a substantial penalty if you withdraw any of the principal before the maturity date or the renewal date, if this is a renewable Certificate account.

AMOUNT OF PENALTY.
The penalty is forfeiture of one half the term of the certificate. It applies whether or not the dividends have been earned.

HOW THE PENALTY WORKS.
The penalty is calculated as a forfeiture of part of the dividends that have been or would have been earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends, or if the dividends have already been paid, the penalty will be deducted from the principal.

EXCEPTIONS TO EARLY WITHDRAWAL PENALTIES.
At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: When an account owner dies.

RENEWAL POLICY.
Your account is an automatically renewable account if indicated above.

NONTRANSFERABLE/NONNEGOTIABLE.
Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure an obligation of any owner, except obligations with UCU.

The Dividend Rate and Annual Percentage Yield on our Savings Certificate or IRA Certificate accounts are the rate and yield that were offered within the most recent seven calendar days and are accurate as of the date indicated above. Please call 800-696-8628 to obtain current information.

The rates and yields appearing on the dividend schedule are accurate and effective for accounts as of the date indicated. If you have any questions or require current rate information on your account, please call UCU.

Your rewards
All rewards from Kasasa Cash are transferred into Kasasa Saver after your monthly qualification cycle.

No monthly maintenance fee and no minimum balance requirement to earn rewards. Available on personal accounts, used for personal, family or household purposes only. Limit one Kasasa checking account per prime member and per primary account. When the Kasasa Cash qualifications are met, the interest rate on your account and corresponding annual percentage yield will be tiered. If your average daily balance in your Kasasa Cash account is $10,000.00 or less, the interest rate paid on the entire balance will be 3.93% with an annual percentage yield of 4.01%. An interest rate of 0.25% with an annual percentage yield of 0.25% will be paid only for that portion of your average daily balance that is greater than $10,000.00. If your average daily balance in your Kasasa Saver account is $15,000.00 or less, the interest rate paid on the entire balance will be 1.49% with an annual percentage yield of 1.50%. An interest rate of 0.25% with an annual percentage yield of 0.25% will be paid only for that portion of your average daily balance that is greater than $15,000.00. The annual percentage yield for these tiers will range from 4.01% to 0.59% for Kasasa Cash and from 1.50% to 0.41% for Kasasa Saver, depending on the balance in the account.

*Your qualifications must be met during the qualification cycle. Transactions may take one or more business days to post and clear to an account from the date the transaction is made. Intra-bank transfers do not count as qualifying Direct Deposit or Automatic Payment.
** The Annual Percentage Yield (APY) is in effect as of January 1, 2023. Rates may change without notice after account is opened and will be determined by UCU's Board of Directors. Fees may reduce earnings. Please see UCU's Fee Schedule for more information.
*** We make our best effort to identify those domestic ATM fees eligible for reimbursement, based on information we receive from card networks and ATM operators. In the event that you have not received a reimbursement for a fee that you believe is eligible, please call a UCU Representative for assistance. Domestic ATM Fees of $4.99 or less will be reimbursed up to a maximum of $4.99 per individual transaction. ATM fees of $5.00 and higher will be reimbursed if the appropriate ATM receipt is presented to a representative at one of our branches. If you believe that you have not been reimbursed the correct amount, please contact us. We must hear from you no later than 30 days after the
statement cycle when the reimbursement was applicable. The collective total of all ATM fees that will be reimbursed for a qualification cycle will not exceed the $25.00 limit established for each qualification cycle. ATM fee reimbursements will be credited to your account on the last day of your statement cycle. Note: ATM withdrawals do not count as qualifying debit card transactions for purposes of earning rewards within this account.

DIVIDEND CALCULATION, COMPOUNDING AND CREDITING:

- We use the average daily balance method to calculate the dividends on your account. This method applies a periodic rate to the average daily balance in the account for the earnings period and is calculated by adding the principal in the account for each day of the earnings period and dividing that figure by the number of days in the earnings period.
- The Annual Percentage Yield (APY) disclosed on the Kasasa Cash account assumes that dividends earned in Kasasa Cash compound. However, by choosing to have Kasasa Saver linked to Kasasa Cash, you understand that the dividends earned in your Kasasa Cash account are automatically transferred into your Kasasa Saver account at the end of the statement cycle and therefore do not remain in your Kasasa Cash account and do not compound. Additionally, you understand that the dividend amount earned in the Kasasa Saver account may be less than the dividend amount earned in the Kasasa Cash account.
- Dividends are credited on the first business day of the following earnings period.
- Accrual of dividends on non-cash deposits - Dividends begin to accrue on the first business day after the banking day you deposit non-cash items (for example, checks).
- If you close your account before dividends are credited, you will forfeit the dividends.

ADDITIONAL KASASA SAVER RESTRICTIONS:
The number of withdrawals or transfers from Kasasa Saver that you make in-person, by mail or at an ATM are unlimited. During your statement cycle, you may also make up to six transfers or payments in the aggregate, via pre-authorized withdrawals, telephone banking service, automatic transfers or at point of sale terminals using your ATM or debit card.

QUALIFICATION CYCLE:
“Qualification cycle” means a period beginning one business day prior to the first day of the current statement cycle through one business day prior to the last business day of the month. Mondays through Saturdays are considered business days as it relates to processing and UCU is generally closed for business on all Federal Holidays. Please refer to the Qualification Cycle Calendar below for guidance.
