

TRUTH-IN-SAVINGS ACCOUNT DISCLOSURE

Except as specifically described, the following disclosures apply to all of the above accounts.

- 1. RATE INFORMATION. The Dividend Rate and the Annual Percentage Yield on your accounts as of the last Dividend Declaration date are set forth on the dividend schedule. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for a 365-day period or the term of a Certificate account unless an account is designated as "Fixed" above. The Dividend Rate and Annual Percentage Yield may change monthly as determined by the UCU's Board of Directors. The Annual Percentage Yield for a Certificate account is based upon an assumption that dividends will remain in the account until maturity and that a withdrawal will reduce earnings.
- 2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the Dividend Period.
- 3. COMPOUNDING AND CREDITING. Dividends will be compounded and credited as set forth above. The Dividend Period for each account is set forth above. The Dividend Period begins on the first calendar day of the month and ends on the last calendar day of the month.
- 4. ACCRUAL OF DIVIDENDS. Dividends will begin to accrue on all deposits (cash or checks) on the business day you make the deposit to your account. Except for Certificate, Super Share and Money Market accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.
- 5. BALANCE INFORMATION. The minimum balance required to open each account and/or obtain the disclosed Annual Percentage Yield is set forth above. Dividends and minimum balances are calculated by the Average Daily Balance method which adds the full amount of the principal in the account each day of the period, then divides that figure by the number of days in that period, and applies a periodic rate to the result.
- 6. ACCOUNT LIMITATIONS. IRA Certificate accounts cannot be pledged for a loan.
- 7. CERTIFICATE MATURITY. Your account will mature within the term set forth above or on the maturity date set forth on your Certificate or Maturity Notice. UCU will give the owner(s) at least 30 days' notice prior to maturity.

EARLY WITHDRAWAL PENALTY.

We may impose a substantial penalty if you withdraw any of the principal before the maturity date or the renewal date, if this is a renewable Certificate account.

AMOUNT OF PENALTY.

The penalty is forfeiture of one half the term of the certificate. It applies whether or not the dividends have been earned.

HOW THE PENALTY WORKS.

The penalty is calculated as a forfeiture of part of the dividends that have been or would have been earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends, or if the dividends have already been paid, the penalty will be deducted from the principal. **EXCEPTIONS TO EARLY WITHDRAWAL PENALTIES.**

At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: When an account owner dies.

RENEWAL POLICY.

Your account is an automatically renewable account if indicated above.

NONTRANSFERABLE/NONNEGOTIABLE.

Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure an obligation of any owner, except obligations with UCU. The Dividend Rate and Annual Percentage Yield on our Savings Certificate or IRA Certificate accounts are the rate and yield that were offered on that date, and are accurate as of the date indicated on the dividend schedule. Please call 800-696-8628 to obtain current information.

The rates and yields appearing on the dividend schedule are accurate and effective for accounts as of the date indicated. The Dividend Rates and Annual Percentage Yield may change monthly as determined by the UCU's Board of Directors. If you have any questions or require current rate information on your account, please call UCU.
